MAYOR GARDNER'S REPORT

Happy Father's Day weekend Willoughby Hills! Yesterday I was able to be a participant in one of the many fun events at the Kirtland Kiwanis 63rd Annual Strawberry Festival. For the last two years, the Kiwanis and Mayor Potter have hosted a Strawberry Shortcake eating contest for the other area Mayors. In addition to Mayor Potter and myself, Wickliffe Mayor Joe Sakacs, Eastlake Mayor Dennis Morley and former Willowick Mayor (now Lake County Commissioner) Rich Regovich had a rematch of our contest from last year. In a close battle, I was able to narrowly defeat Mayor Sakacs taking the title for the second year in a row. Bragging rights with the other Mayors aside, I want to express my deepest appreciation to the Kirtland Kiwanis for all they do. Like so many organizations in Lake County, they work hard to raise funds and support projects that benefit all of us. I hope having this contest helped bring more success to the Festival and that you will stop by the Strawberry Festival today and tomorrow and help the Kiwanis make our communities a better place.

I would also like to recognize the Willoughby Hills Mind Challenge team. In our third year, we took second place out of over 90 teams at the finals this week, bringing home another \$1500 toward senior programming in our City (\$3,000 total now). Congratulations and my thanks to Mary Melvin, Dave and Denise Reichelt, Councilman Mike Kline, Sandy Falck and Ira Lorber. They are outstanding teammates, but more importantly, great residents. Each of them donated their time to have a little fun participating in this event, giving their unique talents to improve our community.

I hope that each of you has found a way that you can use your talents to have fun and, at the same time, help others. Many organizations are in need of volunteers with a variety of talents. If being a trivia buff and a fast eater can help, those of you with more admirable talents can really make a difference! The City is currently seeking volunteers to serve on our Recreation Commission. We are also looking for performers and volunteers for the City's Music Fest on August 19. I hope many of you will consider taking advantage of these opportunities.

Happy Fathers Day to my Dad, Gus, my father-in-law, Dale, and all of the other fathers in Willoughby Hills!

Our Service Department has been out patching the City's roads.

If you should see them out working, please allow extra time and slow down when driving through the area as both workers and equipment are constantly moving.

**Please pay attention and SLOW DOWN!
THIS IS A WORK ZONE!**

Be courteous and mindful so the crew can do their job safely! Thank you!

Also, please note that road striping will begin the first week of July.

**Please note that Mayfield Village is resurfacing White Road.

Please be cognizant of crews and equipment during this project.

With the recent rash of vehicle break-ins, we'd like to remind our residents that the City's Police Department continues to offer steering wheel locks for Willoughby Hills residents who own Kia and Hyundai vehicles.

In order to pick one up at the Willoughby Hills Police Department, the following is required:

- Proof of residency in Willoughby Hills.
- Proof of ownership of a Kia or Hyundai vehicle.

These will be distributed to residents as long as there is stock available.

CONGRATULATIONS TO THE WILLOUGHBY HILLS MIND CHALLENGE TEAM!

This year's competition consisted of over 90 teams, 55 cities, and 525 players so competition was tough!

The City's team, consisting of Mayor Andy Gardner, Ira Lorber, Sandy Falck, Councilman Mike Kline, Mary Melvin, and Dave & Denise Reichelt, made it to the final round against Broadview Heights. Our City fell short of first place by a mere 10 points. They did, however, win the second place prize of \$1,500, bringing their total winnings since 2021 to \$3,000!

This money will be put toward Senior Center expenses.

GREAT JOB, TEAM!

Summer 2023 Information

Please note that the Fire Department will be flushing hydrants over the next couple of months. The time and day this occurs is dependent upon a few factors such as weather, available staff, and emergency calls. Thank you.

PLEASE NOTE:

From the Fire Department:

With the weather turning warmer, people will want to have outdoor fires.

It is important to note that the burning of yard waste is prohibited.

Thankfully, we have curbside yard waste pickup that allows for an alternative to burning materials.

POOL SUBSIDY PROGRAM

The Recreation Commission set the City of Willoughby Pool Subsidy Rate at their April 5th meeting. It was then approved by Council at their April 13th meeting. Subsidy rates are as follows:

Season Pass (up to age 59) Resident cost would be \$85 (City pays \$50)

Season Pass (for Seniors 60+) Resident cost would be \$75 (City pays \$60)

The City of Willoughby Hills will be invoiced for the difference of each pass purchased. Please call the Mayor's Office at 440-918-8730 if you have any questions regarding this program.

SUMMER BLOCK PARTIES

The City of Willoughby Hills encourages Block Parties in the community in order for neighbors to get to know each other and enjoy living in the City.

The City is committed to assist residents who plan a Block Party in their neighborhood by: Providing barriers to block off the street during the event, arranging for a representative from the City's Police, Fire, or Service Department to make an appearance at the event (often times with a treat bag for the kids), arranging for the Mayor or Council member to visit in order to allow the guests to become familiar with their representatives, providing information for your menu planning with contacts from Willoughby Hills businesses, and finally to provide an alternate location at one of the City's Campbell Park pavilions if your street would prohibit or make such a gathering difficult.

Click [here](#) for a request form to set up a Block Party in your neighborhood!

In partnership with Cuyahoga Soil & Water Conservation District and Lake County Soil & Water Conservation District, Chagrin River Watershed Partners (CRWP) will again be offering the **Master Rain Gardener certification course** for residents and professionals within Northeast Ohio. They would like to share this opportunity directly with their member communities, especially with any neighborhoods that may be experiencing flooding issues.

Rain gardens are saucer-shaped gardens filled with native, wet-tolerant plants that capture and soak in rainwater that runs off impervious surfaces like roofs, lawns, and driveways. They filter out the pollutants that would otherwise flow into our storm drains and streams untreated. When replicated across the residential landscape, rain gardens can make a significant impact in protecting the water quality of our local streams and Lake Erie.

This program will consist of 5 classes over a 6-week period. Participants will learn how to design, install, and maintain residential rain gardens. This course offers two track options: one for residential rain gardeners, and one for professionals. The **residential certification** track is geared toward homeowners who would like to install a rain garden in their own yard. This also enables them to serve as the neighborhood expert on rain gardens! The **professional certification** track is geared toward landscape professionals and contractors looking to install rain gardens professionally on residential properties.

This summer in-person course will begin on **July 6**.

Registration is now open!

Need-based scholarships are available! Please contact the Chagrin River Watershed Partners for details.
