### **MAYOR GARDNER'S REPORT**

Happy Fourth of July Weekend Willoughby Hills!

Yesterday, I joined Chief Gandee as an observer at the 2023 Lake County Mass Casualty Incident Drill at Willoughby South High. I would like to thank Operations and Security Director Steve Johnson from The Willoughby Eastlake City School District, Chief Jim Schultz and School Resource Officer Chuck Popik from the Willoughby Police Department and Chief Todd Ungar from the Willoughby Fire Department for hosting this Drill and giving the County's First Responders an opportunity to be prepared in the event that one of these critical incidents should occur. I would also like to thank the 40+ instructors representing Law Enforcement Agencies and Fire Departments from across the County (including our own Firefighter/Paramedics Cindy Sabo, Brian Palladino and Will Distler from the WHFD as well as Detective Joe Fink from the WHPD) for their hard work presenting three separate sessions this week and training hundreds of Dispatchers, Police Officers and Firefighters from Lake and Geauga Counties. The small group that I observed included instructors and participants from the WHFD, Grand River, Painesville and Kirtland Fire Departments, Mentor, Waite Hill, Mentor-on-the-Lake, Painesville, Willoughby, Chardon and Bainbridge Police Departments, the Lake County Sheriff's Office, the Ohio State Highway Patrol and Lakeland Community College's Paramedic training program.

Once a year, our Safety Forces come together to train in various aspects of their responses in the event of a mass casualty incident. This year's program focused on training to assemble and operate 4 person Rescue Task Force teams to evaluate, evacuate and provide medical care to victims as soon as possible after the active threat has ended. The drill included both small group instruction and simulated full incidents (although in a bit of a compressed timeframe) starting with dispatchers taking the first call and dispatching the necessary agencies. Following dispatch, Police officers trained in the assembly of contact teams who then searched the building for threats. After that, participants turned to the focus of the Drill, the creation and manning of safety corridors, operations posts and staging areas and then the assembly and operation of assessment and extraction teams to assist the victims. The training officers observed and offered suggestions throughout the small group sessions and simulations and then assembled the group for after-action debriefings to provide thorough critiques and suggestions, even including feedback from the group dramatizing the roles of victims in the simulations.

Each time I am fortunate enough to attend one of these events, I come away feeling very lucky to live in Lake County. It is truly impressive to see the amount of experience and knowledge demonstrated at these events by so many members of our Safety Forces. Even more impressive is how they come together to learn from one another and work to continuously improve how they can assist their fellow First Responders and their residents. Since the tragedy last year in Texas and more recent incidents in other states, both the WHPD and WHFD have worked to train and prepare for potential incidents and, in particular, their response to an active shooter in our schools. It is sad that this is necessary and it is my great hope that family members, teachers, school administrators and school resource officers discover and stop potential threats before they occur, but if that is not possible, I want everyone to know that the members of our Safety Forces here in Lake County are prepared to respond and save as many lives as possible.

Finally, I want to wish everyone a happy and safe 4th of July. Please celebrate safely and remember that it is illegal to shoot off fireworks in the City of Willoughby Hills.

Lake County  
General Health District

**LAKE COUNTY GENERAL HEALTH DISTRICT OFFICIALS  
EXPECTING AN INCREASE IN MOSQUITOS**

With the recent rains and arrival of warm weather, LCGHD officials are expecting an increase in the number of mosquitos in Lake County. The rains over the past few weeks have left large areas of standing water where mosquitos typically lay their eggs. “The best advice is to get rid of standing water around your house if you can, and use personal protection against mosquitoes,” noted Bert Mechenbier, Supervisor of Mosquito Control at LCGHD.

For more information, including how to keep mosquitos from breed in your backyard and advice on protection against mosquitos, please visit the [Lake County General Health District’s](http://www.lakecountyil.gov/health) website.

The Mayor mentioned in his report last week that the Fire Department recently obtained individual thermal-imaging cameras for every member of the on-duty staff. Each device is the size of a large cell phone (about 2" x 5") and will allow for increased efficiency and safety for our firefighters. Some of the many uses of thermal imaging cameras include locating victims, locating hidden fire or other heat-related hazards, firefighter self-rescue, hazardous materials recon, and search and rescue applications.

## CAR THEFT PREVENTION

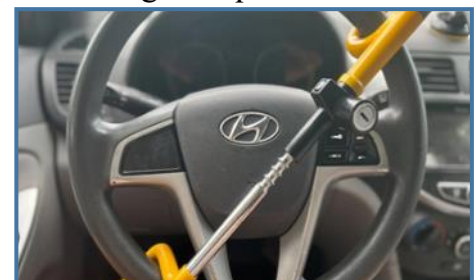

With the recent rash of vehicle break-ins, we'd like to remind our residents that the City's Police Department continues to offer steering wheel locks for Willoughby Hills residents who own Kia and Hyundai vehicles.

In order to pick one up at the Willoughby Hills Police Department, the following is required:

- Proof of residency in Willoughby Hills.
- Proof of ownership of a Kia or Hyundai vehicle.

These will be distributed to residents as long as there is stock available.

Fourth of July is quickly approaching, and the Willoughby Hills Police Department wants to put out this friendly reminder to all residents and visitors. In 2021, Governor Mike Dewine signed legislation, which provides for purchasing and discharging of certain fireworks in the State of Ohio. However, cities still have the local authority to opt out and continue with any and all restrictions previously put in place. The City of Willoughby Hills opted out, and most fireworks are still illegal to discharge within the City. Current Ohio law provides for the sale and use of trick and novelty fireworks (anything that goes snap, crackle or pop - including sparklers) that are widely available in grocery and department stores. Outside of that, we ask that our residents understand the City's position on this safety matter and the duty to enforce when necessary. Thank you all...

### **Fourth of July Safety Tips**

#### **Heat-Related Illness:**

Stay hydrated  
Apply sunscreen  
Wear your shades

#### **Grill Safety:**

Keep grill away from structures  
Keep grill in well-ventilated area  
Keep grill away from children & pets

#### **Firework Safety:**

Leave the fireworks to the professionals—fireworks are not permitted within City limits!

#### **Pet Safety Tips:**

- *Check your chip!* Make sure your pet's microchip is updated with current contact information and that your pet is wearing a snug collar with tags.

- *Provide a safe space.* Keep pets inside the house with music or a TV on to drown out loud noises.

- *No bones & BBQ!*

- *Keep doors & gates closed.*

**NEWSLETTER – June 30, 2023**

## **EDITOR'S REPORT:**

Willoughby Hills Seniors, Inc. is happy to provide this newsletter to you as a way to stay engaged in senior activities in our community.

The Schedule of Activities for the month of July is provided with this newsletter so you can plan ahead to get out of the house and enjoy some fellowship with others! Our guest speaker for this month's Senior Potluck on Tuesday, July 18 at 11:30 a.m. is Attorney Joyce Hribar Fiebig. Joyce is an estate planning attorney who can assist seniors in preparing wills, living trusts and other important documents, such as Power of Attorney. Her business is located at 33977 Chardon Road in Willoughby Hills. Our main entrée will be sausage and peppers (yum!). We hope you will join us on Tuesday, July 18<sup>th</sup>!

Interested in being on the Senior Board? Send us an email to [WilloughbyHillsSeniors@yahoo.com](mailto:WilloughbyHillsSeniors@yahoo.com)!

If you haven't joined Willoughby Hills Seniors yet, there's still time to fill out your application to become a member. Pick up an application in the Senior Room or on the City website at: [www.willoughbyhills-oh.gov](http://www.willoughbyhills-oh.gov). Fee is \$7 for one member, or \$10 for a couple.

The only other thing to report this week is a reminder about the "Special Election" which is scheduled for August 8, 2023. Many seniors may opt to do "Absentee Ballots" since Issue 1 is the only item that appears on the ballot. Simply put, this Issue presents a Constitutional amendment that permanently ends "majority rule" in Ohio. Currently, the "majority" is "50%," but the Amendment changes it to be "60%." It also would change the percentage of the number of electors' signatures required on any initiative petition to amend the State of Ohio's Constitution. Sound confusing??? It sure is! It is best to do some online research, which seems to point to the fact that this is prefacing the November election with the abortion issue on the ballot. After you have done your homework and are ready to vote, this information may help you:

Early voting available at Lake County Board of Elections, 105 Main St., Painesville (beginning 7/11);

Deadline to Register to vote: July 10, 2023 (if not already registered);

Postmark deadline for Absentee Ballot: August 7, 2023;

Need an Absentee Ballot mailed to you? Call 440-350-2700. If you go on-line, you can pick up the Absentee Ballot (fillable) at <https://www.lakecountyohio.gov/boe/absentee-voting-information/>.

Hope that helps you through the voting process.

### **A LITTLE SENIOR HUMOR:**

**Last night I ordered a glass of wine with my dinner and the waiter asked for my ID. I replied do I look that young and the waiter said "No. I just wanted to see if you qualified for the Senior Citizen discount." 😊**

Have a great week! Enjoy the July 4<sup>th</sup> holiday!

Willoughby Hills Seniors, Inc. Board Members: Mary Cihula, Gloria Majeski, Laurie Feltham and PT Rec. Coordinator.
