

# City of Winfield, Kansas

# 2022 Annual *Budget*

## **Manager's Message**

July 20, 2021

Honorable Mayor Thompson and  
City Commissioners Hutto and Jarvis and Citizens of the City of Winfield:

What an interesting few years we have had. As we complete the FEMA process from the 2019 flooding, continue to move through the fallout from Winter Storm Uri, and find ourselves in the middle of what continues to be an uncertain time with respect to the ongoing Coronavirus pandemic... it would be easy to throw our hands up and give in, but on the other hand...there are real opportunities that have arisen from these challenges.

Our position as an organization has been the latter.

*"The secret of change is to focus all of your energy not on fighting the old, but on building the new."*  
-Socrates

Our planning-based improvement focus is showing dividends. Many projects, policies and strategies have launched in the last year based on the community-wide feedback we received from citizens. For 2022, this budget plan again goes back to citizen feedback to examine what the community desires.

Of course, the real work is to balance those desires against available resources.

Over the ten-year period from 2010-2020, inflation was approximately 19%, while Winfield property tax collections increased 9%. Those pressures will be compounded further as we enter into a period of higher inflation for 2020-2022. We must prudently consider the challenges that may create when planning for expenditures both on the labor and the materials side of the budget.

For our improvements in 2021 and into 2022, we have seen public-private partnerships emerge and positive impacts from grant assistance. The Albright Park project, GridLiance partnership and USDA ambulance acquisition and Kansas Department of Wildlife and Parks trails grant are examples of these ongoing efforts.

For 2022, we look forward to continuing our focus on customer service.

Communicating with the public in a more focused way will continue in 2022 as we more fully implement our new "text alert" system for notifications on utility, street or community event news. 2022 will mark the first full year of mailed newsletters aimed at keeping the public more informed about the daily efforts of their local government. The police department will launch a new data-based incident targeting tool aimed at prevention and identifying issues in the community. At City Hall, customers will access new portals for license, permits and utility energy usage.

We will see completion of paving the cart paths at Quail Ridge Golf Course and the extension of our trails system at the Broadway Sports Complex. Planning is underway for a project to renovate the lagoon at Island Park. "No-mow" areas have been created in appropriate sections of public lands to

allow for labor savings and environmental stewardship. Ongoing improvements and operations at the Winfield City Lake continue.

Throughout the park system and major thoroughfares, this budget plans improvements to wayfinding and signage with the implementation of new identifying signage and directional signage in Winfield for our visitors from out of town.

We will continue our code enforcement focus for property maintenance and are working together with our partners at the Chamber of Commerce to push for more placemaking in downtown Winfield to encourage local commerce and development.

In our utilities, the major project for 2022 will be a transition to advanced metering infrastructure. This change will be a significant improvement in our operations, but also in our ability to serve our customers in an efficient way and in a way that they would expect when comparing us against our peers.

Lastly, there is significant utility and development opportunities on the horizon with respect to the City's use of the American Rescue Plan dollars that will be allocated to Winfield. Approximately \$1.9M will be coming to the community with restrictions in place for the use thereof. Priorities of water/sewer/stormwater infrastructure as well as childcare and housing have risen to the top of potential economic development uses. The most important thing we can do with this opportunity is use it as a catalyst for our community into the future.

## **BUDGET APPROACH**

This budget continues to shift the organization toward a style that focuses on protecting fund balances as they are paramount when going for bond ratings. As we move forward with the financing and construction of the Public Safety Center as well as other various upcoming infrastructure projects for our utilities, we must keep this in mind.

That does not mean we intend to sacrifice the amenities and way of life we have come to enjoy. In fact, together with the feedback through our comprehensive planning process...we feel very confident that we are on track to make great strides in Winfield's quality of life.

The decisions reflected in our spending plan are not designed to be the final word, but rather a guiding document for the upcoming year. It is critical that we be nimble and smart enough to know when to move forward on some projects and when to pull back on others.

### ***Revenue Projection Assumptions***

- **Property Tax.** Property tax revenue in all tax supported funds is expected to remain relatively flat at 1.1% increase of the level in 2021 or 1.3% over two years ago. Inflation over the same period is estimated at 6%.

This budget uses a projected mill levy of 54.679 mills, which is nearly *the exact same* as the previous certified mill rates of 54.680. The assessed valuation as of July 1<sup>st</sup>, adjusted for

estimated appeals, is used as a basis for the forecast of property tax revenue. The valuation for the 2022 budget year (2021 value) is \$72,325,530...an increase from \$57,277,515.

As constructed, this budget, due to changes to the state budget law, will require the governing body to hold a Revenue Neutral Rate Hearing in September. This hearing is required because the budget proposes to spend more dollars than the year before.

In construction, I have decided to also present an alternate to the budget that would increase the mill levy by three mills. These funds of approximately \$216,000 would go directly toward construction costs of sidewalk replacement and enhanced recreational paths. This has been identified as a priority of the governing body for several years and has for several years remained unfunded.

- **Fund Balance.** Fund balance of all funds stood at approximately \$20.7M at the close of 2020, up from 18.5M the prior year.

Improving the City's fund balances is a critical part of our financial strategy as we work on major capital projects that will require financing. Changes in the timing of police vehicle procurement to accommodate factory production changes will artificially lower 2020 ending cash balances in the General Fund.

Capital project funding has increased balances significantly for streets and the public safety center project funds in 2020 as we prepared for large expenditures in 2021 and beyond on major infrastructure projects including E. 9<sup>th</sup>, E. 5<sup>th</sup> Ave. and the Fire/EMS addition.

- **Special Assessments.** Special assessments are set to decrease significantly in 2022 as the debt for improvements at the Fairway Addition at Quail Ridge as well as B&B Theatres is retired. Staff continues to work toward future housing development projects in Winfield.
- **Sales Tax.** Winfield receives sales tax from two different levies: 1) a 1% capital improvement sales tax that is generally used for ongoing projects and 2) a 1% sales tax for the funding of a new public safety facility, streets and other capital improvements.

Up until 2020, sales tax receipts had been in decline since 2015. In 2020, a modest increase of 2.1% was realized. Through mid-2021, sales tax receipts are up approximately 5% year to date over 2020. Please find the enclosed sales tax history.

- **Fees, Franchise Fees and Transfers.** The 2022 budget continues to forego the lost ambulance transfer revenues that were lost in 2019 when William Newton Hospital contracted with EagleMed for transfer services for patients from Winfield to Wichita. Likewise, staffing levels at the Fire/EMS position remain reduced.

In 2020, the City implemented a readily available schedule of fees through an ordinance change that requires most all fees to be examined annually. That change included fee adjustments to several service offerings including building permits, cemetery services which are both projected higher in this budget proposal.

Franchise fees are projected as flat to declining. The City continues to rely on transfers from the utilities to help offset the mill levy and will continue to do so to maintain the level of services provided.

- **Utility Fees.**

The electric utility fees were last adjusted in 2016 and are in need of structural review and revision. As the City implements advanced metering infrastructure, more data will be made available to the City to complete and implement potential wholesale rate restructuring adjustments. In the interim, staff intends to review existing structure and propose and interim adjustment in late 2021.

The refuse utility anticipates significant increases in tipping charges from the landfill. Those charges have been included in this budget. Those increases together with the need for capital outlay for new vehicles and franchise fee implementation has the fund somewhat stressed over the short term. The existing rate will be monitored closely and any future adjustment recommendations will come after further review.

The Water utility is maintaining fund balance with no major capital outlay. Without an adjustment in the rate, no major projects can be accomplished prior to the first debt retirement from the fund in 2023 and then again in 2026. The City completed inspection and cleaning on the water storage infrastructure in 2021 with no new deficiencies noted, but the City should begin preparing for the replacement of storage or additional industrial storage in the next ten years.

The Natural Gas utility is stabilizing from the 2021 Winter Storm Uri event. As 2020 continues, the fund balance will be monitored for potential shift toward additional payment toward early retirement of the state loan acquired to fund the payment on purchased gas for that event.

- **Building Trades Permits.** Building permits are issued to qualified individuals and companies to do repairs, remodels, new construction, or demolitions. The cost of permits is based on the estimated cost of the project or a set fee, depending on the type of project. The bulk of permit revenue is from building permits. All construction in the city must be issued a permit based on the cost of construction.

License revenue arises from the City's regulation of certain activities (e.g., plumber, electrician). A person or organization pays a license fee to engage in the activity for a specified period. The most common licenses and permits are electrical and plumbing.

There is no increase budgeted for 2022.

## ***Expenditures Projection Assumptions***

- **Staffing.** Staffing levels will remain mostly flat to declining as we move forward through 2022. The City will maintain the peak season based approach which allows for more seasonal employees versus more FTEs.

Wage pressures due to the greater economy will continue to be an influence in staffing decisions.

As the City continues to see the implementation of various software/technology adjustments, we expect to see staffing levels reduce as warranted.

The organization continues to experience waves of retirement from legacy employees. This presents a challenge and need for planning for that transfer of knowledge, but also the opportunity for examination of our processes and services. With each change in staffing, we are committed to that examination and open conversation about how we accomplish our work in the future. That will include discussions about services provided as well as wage pressures mentioned earlier.

- **Employer Health and Dental Contributions.** Health and dental insurance costs are budgeted to increase approximately 6%. The City has implemented a health reimbursement arrangement for 2022 that will be examined in the spring of 2022 in preparation for the July renewal. The City maintains a health insurance reserve fund to assist in the exploration of different plan offerings as well as mitigate future increases.
- **Maintenance, Operations, Capital Outlay Costs.** The City continues to see maintenance costs on facilities come through as assets continue to age. The 2022 CIP plan enclosed continues to set aside dollars for facility maintenance improvements at the wastewater facility, water facility, community center and city hall. The CIP once again contemplates the addition of a covered storage area at the Parks Shop to move vehicles inside and out of the weather.

Ongoing capital outlay costs are enclosed. Those itemized asset replacements in most cases replace assets that have long outlasted their useable life. In a few cases, departments have recommended removing two assets and replacing them with one.

- **Debt Service.** This budget does not account for an expected 2022 bond issue for Electric Transmission, Meyer Hall Improvements and AMI improvements as those first payments would not be due until 2023.

As the City continues work on the public safety center, the City will need to begin preparing for a decision to self-fund the renovation phase of the current fire station or to save those dollars for the police facility. In either case, the best approach will be the one that is focused on reducing the future debt payment on that facility.

We continue to use the CIP Sales Tax to offset additional mill levy for debt.

The Water Fund will see significant relief in 2023 and 2026 when large issues of debt drop off for the utility.

- **Employee Wages** This budget calls for an adjustment to wages based on 1% with the step increases available for those eligible. Inflationary pressures presented by the ongoing economic recovery should be monitored closely and considered when making adjustments in the future. For the City to remain competitive, we must continue to adjust wages as the once rich retirement benefits fade away.
- **KPERS and KP&F** There is nothing to note with the City's share of KPERS and KP&F.

## CONCLUSION

*"Action expresses priorities."*

- Gandhi

We continue to budget with restraint, balancing the desires of the public with the available resources. There is always more infrastructure to replace, more improvements to be made, but all of those must be held in balance with the dollars we are entrusted with. That is how priorities are set.

Giving credit where credit is due, you will not find a more dedicated group of employees working for their community. Their families too make sacrifices for them to be part of something so much more than a job.

To the Winfield City Commission—thank you for your confidence. I continue to appreciate your ongoing leadership and progressive approach with both policy and our suggested changes to our operations.

I specifically wish to thank the citizens of Winfield for the support we receive to perform the services desired and the many volunteers who give up their time to make this a better place to live whether by serving on an advisory board or with a local civic club or other organization.

It is a pleasure to serve the community and all those whom reside or visit Winfield.

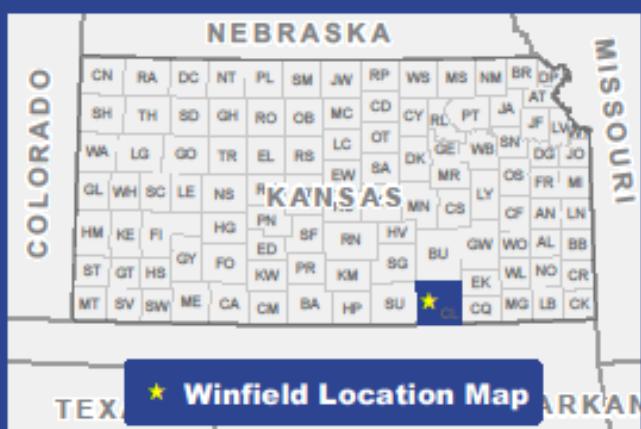

As required by law, the 2022 budget must be approved following a Revenue Neutral Rate Hearing and a regular Budget Hearing and submitted to the Cowley County Clerk prior to October 1, 2020.

Respectfully,

Taggart L. Wall  
City Manager

<b>Totals</b>	<b>3,773,283</b>	<b>53.330</b>	<b>3,903,438</b>	<b>54.241</b>	<b>3,905,378</b>	<b>54.245</b>	<b>3,908,676</b>	<b>54.248</b>	<b>3,954,643</b>	<b>54.679</b>

### Assessed Valuation

Year	Valuation	% Change
2011	62,560,351	+0.49%
2012	65,209,231	+4.23%
2013	65,208,103	+0.00%
2014	66,774,924	+2.43%
2015	68,400,604	+2.38%
2016	70,208,999	+2.58%
2017	70,754,465	+0.77%
2018	71,963,913	+1.68%
2019	71,994,982	+0.04%
2020	72,129,884	+0.01%
2021	71,485,358	(0.01)%

# VALUE OF YOUR CITY OF WINFIELD TAX DOLLAR

**MARKET VALUE OF HOME:** \$100,000

To determine assessed valuation, multiply by 11.5%

$$\$100,000 \times 11.5\% = \$11,500$$

**ASSESSED VALUATION:** \$11,500

To determine city tax liability, multiply assessed valuation by published mill levy

$$\$11,500 \times .054393 = \$625.52$$

**CITY TAX LIABILITY = \$625.52**

## MONTHLY EXPENSE FOR CITY SERVICES

To determine the monthly expense for city services, divide tax liability by 12 months.

$$\$625.52 \text{ divided by } 12 = \$52.13 \text{ per month}$$

The following list represents a sampling of the City's services provided for the **\$52.13** per month:

Police Protection	Aquatic Center	Public Parking Services
Fire Protection	Broadway Sports Complex	Winfield Fairgrounds
EMS Service	Street Lighting	Municipal Improvements
Community Planning/	Baden Square Maintenance	Flood Plain Management
Building Inspection	Cemetery Maintenance	Public Library
Street Maintenance/Repair	City Administration	Animal Control Services
Park Maintenance	Snow Removal	Drug Task Force Services
Winfield City Lake	Traffic Control & Marking	

For comparison purposes, the following items denote common monthly expenses for a Winfield family:

A 25 gallon tank of unleaded self-service fuel at \$3.50/gallon would cost **\$87.50**.

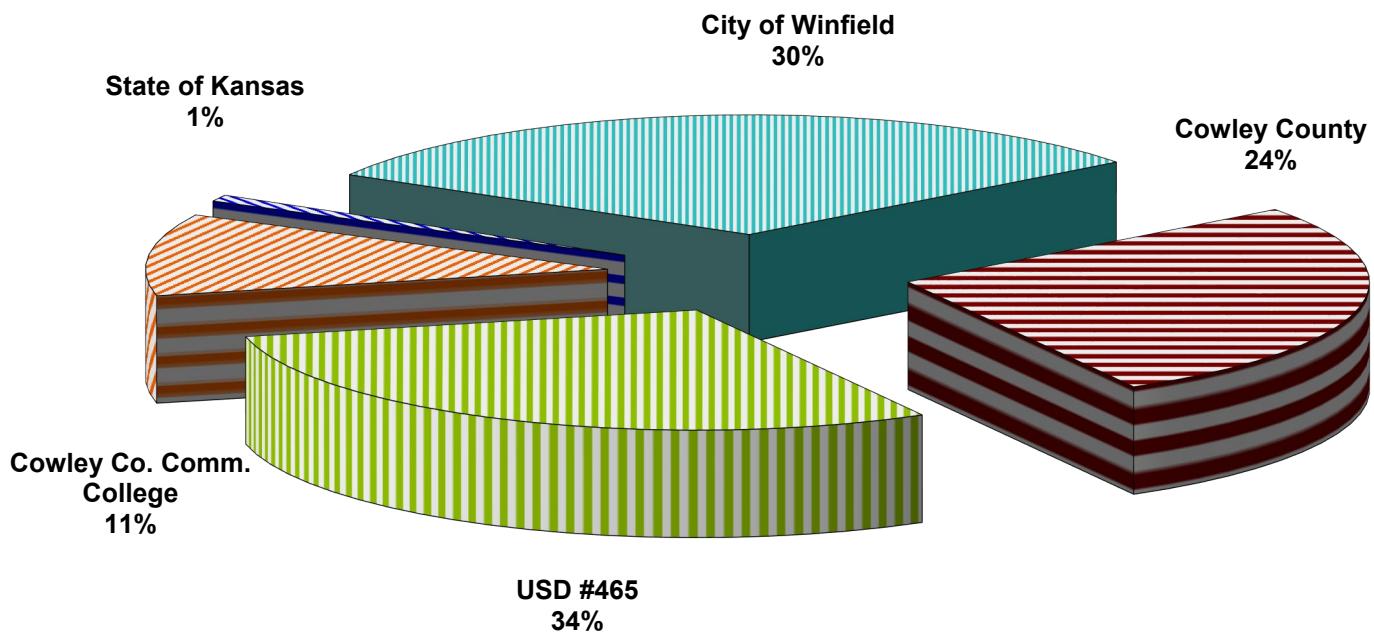

Digital cable television, high speed internet and phone service will cost the consumer **\$125.00** per month, before taxes.

The monthly cost of homeowners insurance for a \$100,000 house is approximately **\$118** for a standard protection policy. All business and residences within the City of Winfield enjoy a Class 3 fire rating. The rural fire districts around Winfield have a Class 9 fire rating. According to a local insurance firm, a home insured for \$150,000, with HO3 insurance, would cost a Winfield Resident **\$2,100** per year and the same home outside of Winfield with equivalent coverage would cost approximately **\$2,875** in annual premiums.

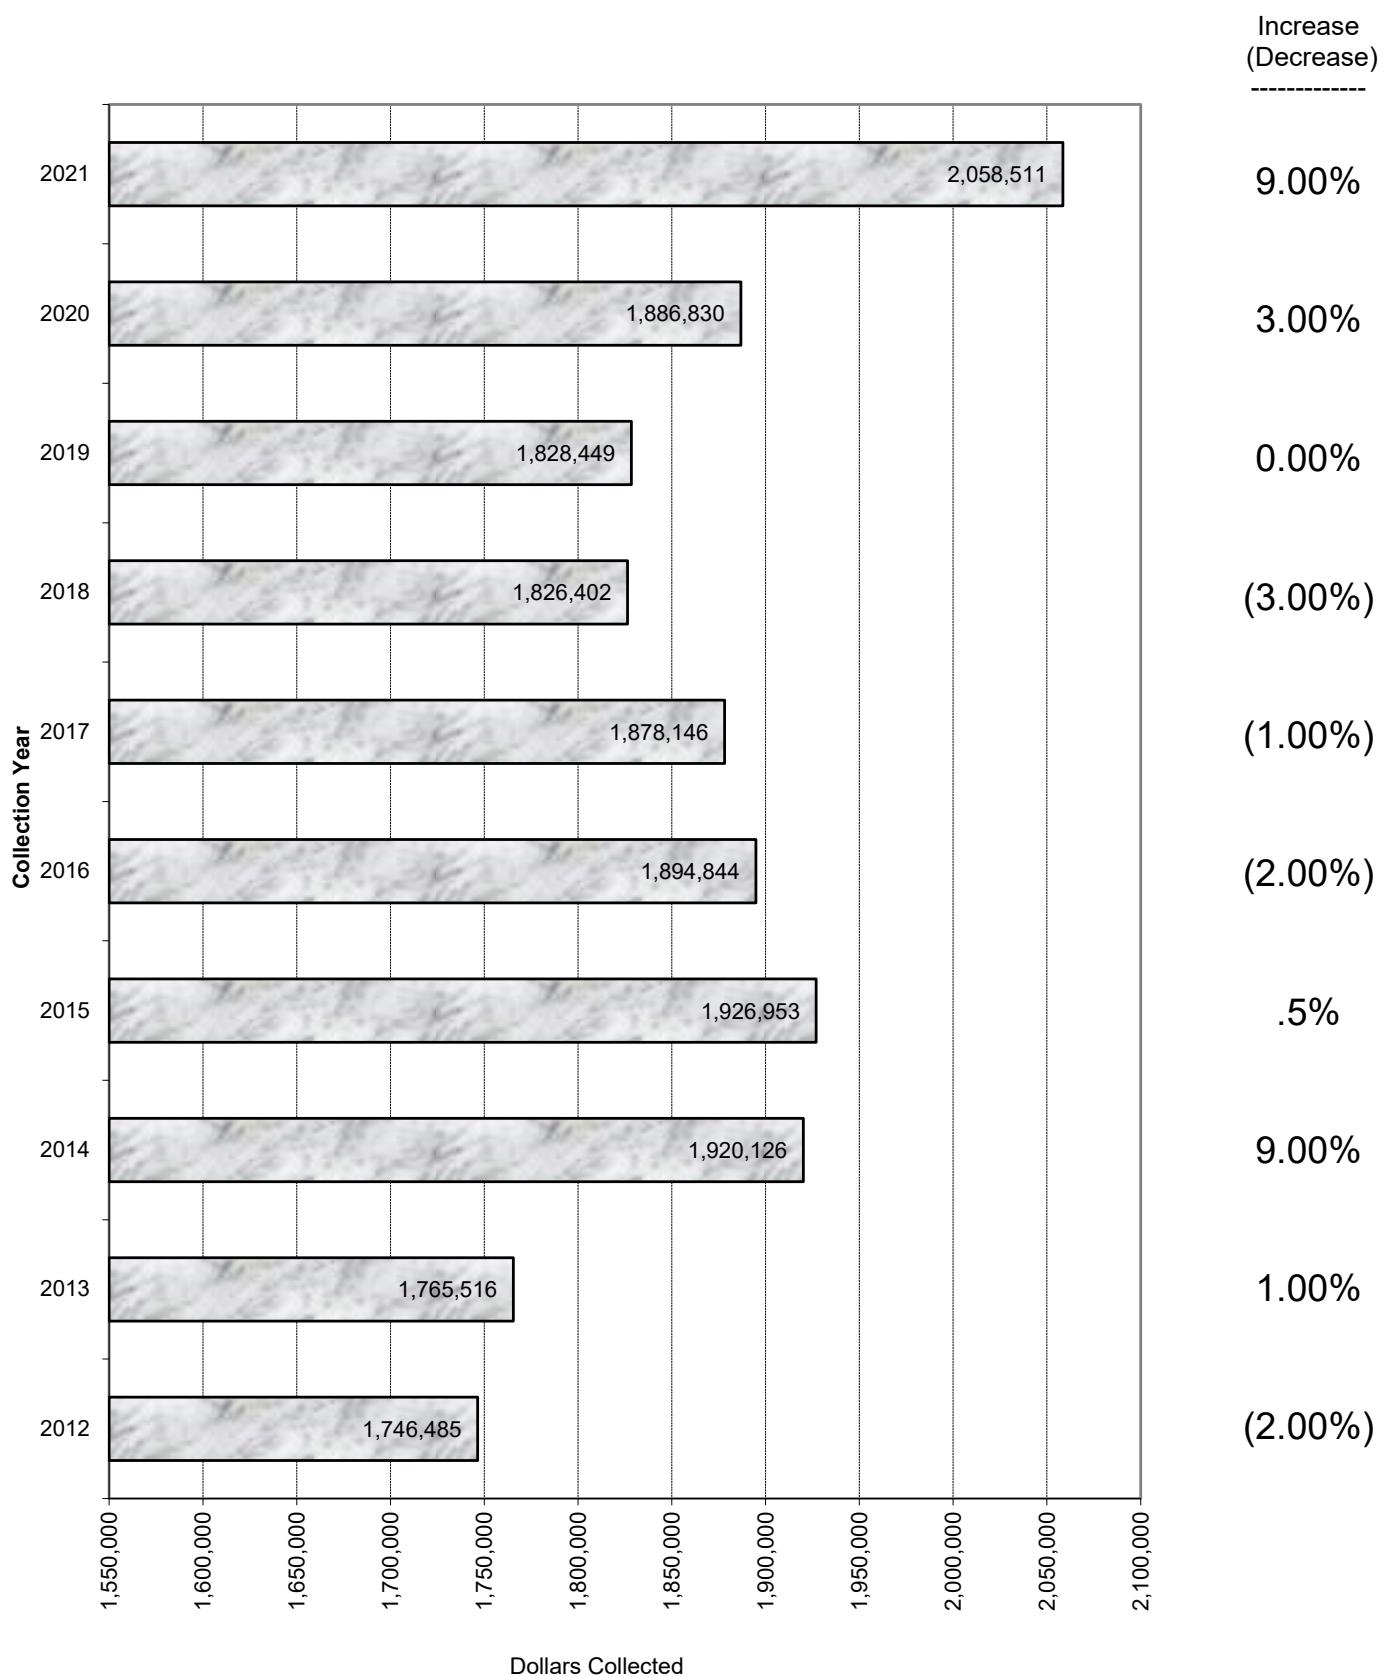

## MILL LEVY BY TAXING UNIT

### 2021 Levies

# One Cent Sales Tax Collections

# Employee Benefits

The City seeks to attract and retain quality employees with our indirect compensation package, recognizing that current and potential employees often consider benefits a primary factor when choosing employment. It is our goal to help employees achieve a positive balance between their personal lives and their work by providing plans and programs that meet the needs of a diverse workforce and by educating employees and assisting them in making the best choices to meet their needs.

To remain competitive, the City will provide ongoing analysis of the level, nature and variety of benefits offered to our employees, with a long-term focus on costs, trends, and options. The scope and the value of the package is evaluated regularly.

## Medical and Dental Plans

The Human Resources staff has designed a plan that complies with all applicable federal and state laws. Staff continues to monitor claims costs and has designed plan changes that will minimize the impact on the majority of employees while keeping costs as affordable as possible for all. We will continue to benchmark our plan against our surrounding peers and will work to keep plan design changes to only be proposed every other year to help with stability of care and to minimize disruption to our employees and their families.

To allow our employees to make the most informed decisions possible, staff will conduct educational presentations in 2022 in addition to the open enrollment period. These meetings will supplement the several resources that are available to our employees and their families.

Rising health care cost continues to be a concern. In 1994, it was determined that employees who selected a family plan would have to contribute towards the cost of the plan they selected. Below is a table showing the employee and the Employer cost for health insurance family plans since 2012:

	2015	2016	2017	2018	2019	2020	2021	2022
City share of family plan	1086.38	1131.56	1173.77	1173.77	1173.77	1056.50	1128.81	1032.00
Employee share of family plan	120.00	140.00	140.00	140.00	140.00	140.00	140.00	140.00
<b>Total cost of a family plan</b>	<b>1206.38</b>	<b>1271.56</b>	<b>1313.77</b>	<b>1313.77</b>	<b>1313.77</b>	<b>1196.50</b>	<b>1268.81</b>	<b>1172.00</b>

## Other Benefits

The City of Winfield provides several benefit programs to all eligible employees. State and Federal legislation requires FICA, KAPERS, KP&F, and FUTA benefits be offered by the employer and the benefit is based upon the employee's wage. The balance of our benefits is based upon the prioritization of the City Commission.

**FICA (Social Security)** - Through the federal old age, survivors, disability and health insurance program, benefits are paid when family income is lost as a result of the employee's disability, retirement, or death. The current program requires that both the City and our employees contribute 7.65% of the employee's net earnings to support and maintain the program.

**Kansas Police and Fireman's Retirement System** - KP&F is a subsidiary program of the KPERS system designed for sworn Police Officers and Firefighters. Each member of the KP&F system contributes 7%, 4% or .94% of gross annual wages depending on which tier they are on. The City's share is established by the Board of Directors on a yearly basis. The following shows the City's % contributions since 2010:

2012	2013	2014	2015	2016	2017	2018	2019	2020	2021
20.15%	20.76%	23.69%	25.13%	23.95%	21.84%	22.02%	22.13%	21.93%	22.80%

**SUTA (Unemployment Insurance)** - SUTA is one of the federally mandated programs that helps to provide relief to unemployed persons that qualify for the benefits. Since the program is based on employer experience, the City has some control over the rate that it is required to pay. The City has pursued an aggressive policy of reviewing and taking appropriate action on each unemployment claim filed against the City, which has aided in minimizing increases to the City's rate. The following shows the City's SUTA rate since 2013:

2013	2014	2015	2016	2017	2018	2019	2020	2021	2020
0.23%	0.10%	0.39%	0.10%	0.10%	0.12%	0.12%	0.12%	0.12%	0.20%

**Workers' Compensation** - The City pays a premium to the Kansas Eastern Regional Insurance Trust (KERIT) to provide medical and salary assistance coverage for work related accidents. The City joined KERIT in 2011, prior to that the City was self-insured so there was no premium rate paid. As a member of the KERIT Trust pool of Cities and Counties, the City has a representative on the KERIT Board of Trustees. The following shows the City's premium rates since 2014:

2014	2015	2016	2017	2018	2019	2020	2021	2022
1.98%	3.61%	0.10%	2.09%	1.67%	1.67%	0.85%	0.97%	0.87%

**Health Flex Plan** – City employees have the option to participate in the City sponsored health care flexible spending plan. The plan allows employees to pay for medical expenses, health insurance deductibles and co-pays, and certain dependent care expenses on a pretax basis. The tax savings include federal income, state income, and social security taxes.

**Employee Purchase Program** – City Employees have the option to participate in the City sponsored program for technology purchases, fitness memberships, Quail Ridge Golf Course rounds and/or Golf Clubs purchase, and firearm purchases through approved vendors not to exceed \$2,500 for the year through payroll deduction, twenty-six (26) pay periods. Those employed less than one (1) year, on disciplinary status, or part-time status do not qualify for this program.

**Employee Tuition Reimbursement Program** – City employees have the option to participate in the City sponsored tuition reimbursement program. The City will reimburse full-time employees for 50% of the cost of certain tuition/training, up to \$2,500 per fiscal year. The courses or trainings must be relevant to the employee's current position, another position or a requirement of a degree completion program. To be eligible for reimbursement, the course must be completed, and the employee must receive at least a 'C' grade or a 'pass' for a pass/fail program and must be willing to stay with the City for three years following the reimbursement. If the employee leaves before the three-year time commitment has been fulfilled, they will be responsible to reimburse the City for the prorated share of the payment the City made to them. If they leave 1-4 months after payment, they would owe us 100%, 5-9 months 83%; 10-14 months 69%; 15-19 months 55%, 20-24 months 41%; 25-29 months 27%; and 30-36 months 13% would have to be reimbursed.

# Sources of Revenue

Revenue Source	K.S.A./ Ordinance Authorization	Paying Agent	State Distribution Dates	Allocation Formula	Fund Receiving Revenue
State Highway Aid (SCCHF)	79-3425	State	1/15, 4/15, 7/15, 10/15	Per 79-3425C	Gasoline Tax
Highway Aid-connecting links (KLINK)	68-416	State	Jan., April, July, Oct.	\$3,000 per lane mile	General
Alcoholic Beverage Tax	79-41a04	State	3/15, 6/15, 9/15, 12/15	10% gross receipts tax- 30% to state, 70% to city	General, Spec. Parks, Spec. Alcohol
Transient Guest Tax	12-1698	State	1/15, 4/15, 7/15, 10/15	2% to State, Balance to City	Convention & Tourism
