Renovated and Expanded Public Safety Building Opening Nov. 9

The Wylie Public Safety Building located at 2000 N. Hwy. 78 officially opens Monday, Nov. 9, 8 a.m., with Fire Administration and Police, including Records and Criminal Investigations, ready to serve the public. The Municipal Court offices will be closed Nov. 9 and 10 while staff moves into the new building. Municipal Court operations will resume on Wednesday, Nov. 11, at the new Public Safety Building.

After more than four years, Wylie Police, Wylie Fire Rescue, 911 Communications and Municipal Court will operate out of one, shared building, improving service to the citizens of Wylie. The building was destroyed in the April 2016 hail storm which spurred a complete renovation to the building including a 22,000 square foot addition.
