

November 17, 2023

Dear York Township Resident,

I hope this letter finds you well. I wanted to share some exciting news about a project that will positively impact our community.

We are pleased to let you know we are working on a community path project for our area. Our goal is to create a safe and convenient pathway for everyone in our neighborhood to enjoy outdoor activities, take leisurely walks, or ride their bikes.

We believe with your help, we can achieve our community goals and make this project a true success. By utilizing a portion of homeowners' properties along Willis Road, we can create a safe and vibrant pathway that benefits everyone. We understand this may raise some concerns and questions, and we want to assure you our intention is to create a win-win situation for all involved.

Here are a few reasons why we are excited about this community path:

Safety First: A dedicated pathway will enhance safety by keeping pedestrians and cyclists separate from vehicles.

Fun and Fitness: This path will encourage an active lifestyle, making it easy for us to enjoy outdoor activities.

Value Boost: Well-maintained paths can increase property values by making our neighborhood more attractive.

Community Building: The path will bring us together, fostering a sense of community and social connections.

We understand you may have specific concerns or questions regarding the impact on your property. Please know we are hosting an Open House at York Township Hall on January 11, 2024, from 7:00 pm to 8:30 pm. This will provide an opportunity for you to voice your thoughts, ask questions, and learn more about the project in detail. We value your feedback and want to ensure all concerns are addressed to the best of our ability.

In the meantime, please feel free to email me at wcook16@gmail.com if you have any immediate questions or concerns. We are committed to open and transparent communication throughout this process.

Thank you for your time, and we look forward to seeing you at the community meeting.

Warm regards,

Bill Cook

A handwritten signature in black ink, appearing to read "Bill Cook", is written over the printed name.
